Airline/s used:	BA, Canadian Airlines, Zip				
Airport/s used:	Manchester, Glasgow, Edinburgh				
Comments (if any - please keep brief):					
3 passengers left on Glasgow flight awaiting transfer from BA to Canadian airlines. Zip were not prepared to bring wheelchairs to aircraft door although clearly marked, neither did they have sufficient support to transfer without chairs. Excellent service when team member had a seizure on return flight.

 This was an excellent meet held for the first time under Canadian Swimming. It is planned to try and have another in two years time. We should support this venture.
