**Office Response**  
All arrangements made direct between BPA, Team Manager and World Class office.

**FINAL SUMMARY - any additional comments you would like to make (not obligatory).**  
Overall the Athens Paralympic Games in terms of day-to day operations in relation to the swimming team was regarded to be a success. There were many aspects that operated extremely well within the constraints of the BPA however improvements can be made in the future to ensure the needs of the swimmers are met where possible.

**RESULTS**  
**Full set of official results sent to office by team manager (office use only):** Yes / No
