Coaches Report
<p>An excellent camp. Training facilities were excellent. Amount of time in the water and land training good. Focus for the players was again basic skills but some basic tactical offence and defence were practiced and subsequently used in training games. These training games were invaluable. The squad was split into 2 even teams and played:- Canada (Ontario) 87s Dutch 87s Dutch 89s and the Dutch academy 87s.</p> <p>We played one "test match" against the Dutch 89s, which we won 6:5.</p> <p>During the week the players improved greatly and adjusted to "international" style Waterpolo well after initially being shocked at how physical the play was.</p> <p>Overall a very successful camp and a venue that we should return to on a regular basis.</p>
