Office Response

FINAL SUMMARY - any additional comments you would like to make (not obligatory).

Serious delay caused by Traveleads failing to coordinate car hire with time of arrival.

(Traveleads were assured by Hertz that French office open until 7pm for pick up of minivans, however upon arrival Hertz Office was closed and their 24 hour line went unanswered and Team Manager had to locate and pay for alternative vehicle hire direct. This has since been pursued by Traveleads and Hertz have apologized for this mix up and are investigating further as they still stipulate that this office should be open until 7pm. As a good will gesture they have provided a free hire voucher for our next booking).
